

10 reasons to join UCU

1

Support throughout your career... from free professional development courses to confidential advice if you have a problem at work.

3

Every day our trained local representatives... backed by full-time UCU officials, help to resolve hundreds of problems.

5

Developing your career... free professional development courses including classroom management and how to write a research grant application: <http://cpd.web.ucu.org.uk>

7

A network that includes... academics, lecturers, trainers, instructors, researchers, managers, administrators, computer staff, librarians and postgraduates.

9

Our monthly fees start as low as £1... most members can claim tax relief on 67% of the subscription, which reduces the cost even more! For our current subscription rates see: www.ucu.org.uk/subscriptions

The voice of the profession... we campaign on a range of issues including job security, academic freedom and workload.

2

UCU's excellent legal scheme... provided by specialist employment lawyers, gives members access to professional legal advice, covering employment rights, personal injury and police enquiries.

4

With almost 110,000 members... we are the largest post-school education union in the world.

6

Recourse offers 24/7 support... for workplace and personal issues from counselling and coaching to financial support.

8

UCU believes in an education system which helps people... to reach their full potential. We oppose privatisation and campaign for increased public investment to bring us in line with our global competitors.
